

Public Comment: FFY 2027-30 Metropolitan Transportation Improvement Program (MTIP) and Draft Regional Conformity Assessment

The Tri-Cities Area Metropolitan Planning Organization (TCAMPO) develops and updates two major plans that guide regional investments in transportation, multi-modal mobility, freight movement, and road safety projects:

Metropolitan Transportation Improvement Program (MTIP) – A short-range list of projects planned for the Tri-Cities area over the next four years (FY 2027–2030).

Long-Range Transportation Plan (LRTP) – The region’s transportation vision through 2045.

Importance of the MTIP

The MTIP is required by federal law for the region to receive funding. This action plan lists highway, transit, bicycle, pedestrian, and safety improvements that are expected to receive federal transportation dollars in the short term.

How the MTIP Connects to the STIP

Besides implementing our current LRTP—Plan2045—the Tri-Cities MTIP is part of the larger **Statewide Transportation Improvement Program (STIP)**. The Virginia STIP is a four-year program that includes projects from every MPO in the state and documents the allocation and obligation of federal transportation funding. This ensures that the state has one coordinated list of transportation priorities.

The Regional Conformity Report

Because our region must meet federal air quality standards, we perform a thorough analysis and produce a **Conformity Report**. This report shows that the projects listed in our plans will not exceed vehicle emission limits set by the Clean Air Act.

Your Voice Matters

We invite you to provide feedback on our updated MTIP and Draft Regional Conformity Report. Your input ensures that regional investments reflect real-world community priorities.

How to Participate

The public review and comment period will be open from **March 13 to April 12, 2026**.

Review the [FFY 2027-2030 MTIP](#) and the [Draft Regional Conformity Report](#) online, in the [Interactive Comment Portal](#), or request physical copies at:

- **Libraries:** Petersburg, Colonial Heights, Hopewell, Ettrick-Matoaca, Rohoic, and Prince George.
- **Local Planning and Transportation Departments’ Offices:** Chesterfield County, Dinwiddie County, Prince George County, City of Petersburg, City of Colonial Heights, City of Hopewell, and the Crater PDC.

Share your feedback:

- Visit the [Interactive Comment Portal](#) and submit input on specific projects.
